

## **Berskwell CC - Transport to and From Matches and Training Policy**

All parents/carers are responsible for the safe delivery and collection of their child for training or matches.

In respect of away matches parents/carers will be given sufficient notice of away fixtures so that they can make appropriate arrangements to take and collect their child.

Berskwell team managers and other representatives will be responsible for children once in their official care when on the club premises or on opponents' cricket grounds i.e. during training and/or games.

There may be a period of time when children arrive for training or matches (either home or away) when they must still be overseen by their parent/carer.

It is not the responsibility of the team manager to transport, or arrange to transport, children to and from the club or match.

Children will not be picked to play in cricket fixtures without the permission of the parent/carer, all communications will be between the team manager and /or another club representative and the parent/carer and not directly with the child.

The team manager will confirm a time and place to "pick up and drop off" children for HOME fixtures, this will normally usually be 30 minutes before the scheduled start time. Normal meet times will therefore be 5.30pm for midweek fixtures and 9.15 am for Sunday morning Premier League fixtures.

Training times will be communicated separately.

Parents are encouraged to stay and watch both fixtures and /or training, managers will stay with children until they are picked up.

Parents and players are encouraged to be prompt at drop off and pick up to ensure training sessions are effective.

Parents/carers are also urged to stay local and monitor weather conditions as fixtures and training may be called off at short notice.
